

Privacy Policy — API Lessons Connector

Last Updated: May 2, 2026

Operator: Level 250 Inc.

What This App Does

API Lessons is a Connector that provides information about API product management courses and Lightning Lessons taught by Emmanuel Paraskakis on Maven.

Data We Collect

None. This app is a read-only information service. It does not:

- Collect or store your messages or queries
- Require authentication or account creation
- Access your profile, contacts, or device information
- Use cookies, tracking pixels, or analytics
- Store conversation history

When you interact with this app, your query is processed by Claude and forwarded to our server, which returns publicly available lesson information. We do not log or retain any data from these interactions.

Third-Party Data Sharing

We do not share data with third parties because we do not collect any data.

Changes

We may update this policy from time to time. Changes will be reflected by the "Last Updated" date above.
